Some Highlights

Smart Science

On 1st November 2025, Smt. Susha Thomas and Smt.

Rajini Jairaj attended a workshop titled "Smart Science: A Tech-Integrated Science Journey" at the Birla Planetarium. The workshop focused on integrating modern technology with science education, offering insights into innovative teaching methodologies and interactive learning tools. It provided valuable exposure to contemporary scientific concepts and demonstrated effective ways to enhance student engagement through technology-enabled learning experiences.

Madhuban

On 1st November 2025, Smt. Gowri and Kum. Vaishnavi, teachers from the Hindi Department, participated in a one-day workshop organized by Madhuban Educational Books. The workshop highlighted effective language-learning techniques and centered on the theme "Innovative Methods of Teaching Hindi Grammar & Experiential Learning." The programme aimed to equip educators with creative and practical teaching strategies that can be implemented in the Hindi classroom. By introducing fresh and impactful approaches to grammar instruction and hands-on learning, the workshop sought to inspire teachers to enhance student engagement and enrich language learning experiences.

SV MS Quest'25

On 1st November 2025, several students from our school participated in SV MS Quest'25, held at Sudharsanam Vidyashram, Avadi. Ameya and Sirisilla Prakrithi of Class 12A brought great pride to the school by winning the Third Prize. This achievement reflects their talent, hard work and dedication towards their goals.

On 1st November 2025, the students of Class 11 had the pleasure of watching a modern, Broadway-style adaptation of Cinderella, which left a lasting impression on the students. The audience, poised and appreciative, were soon to become performers themselves in upcoming school plays. The show's stellar cast captivated everyone with their mesmerizing singing and emotive performances. Under the able direction of Mr. Augustine Paul, a revered name in musical circles, the production flawlessly executed the script while conveying a subtle yet powerful message. The experience was both entertaining and inspiring, reaffirming the magic and impact of live theatre on young audiences.

Code Carnival Contest

On 5th November 2025, students from our school participated in the Code Carnival Contest, conducted at SRM Vadapalani Campus. Tarun Y of 12B and Guruprasad A H of 12C won First and Second prize respectively.

S. Maria Shirley of Class 7F brought laurels to our school by emerging as the First Finalist Winner in the prestigious Profile Dance League Championship, hosted by the Indian Hip Hop Nation on 5th November 2025. Her outstanding performance and dedication brought pride to the school.

Indian Hip Hop Nation (IHN) is a prominent cultural platform and community based in Chennai, India, dedicated to the promotion of hip hop culture, with a primary focus on dance, choreography and street arts.

Profile Dance League

Tech Forge Hackathon

Tech Forge Hackathon 2025, held on **6th November 2025**, at St. Joseph's Garden School, witnessed participation from 89 teams. Our school achieved outstanding success as Mayank Badalia and Sarveshwar Girish of Class 12 secured First Place, winning a cash prize of ₹15,000. Their victory highlighted their innovation, teamwork and exceptional talent.

16th All India Bhavan's Principals Meet

The 16th All India Bhavans Principals Meet was held from **6th to 9th November 2025** at Bharatiya Vidya Bhavan, Amritsar, under the theme "Expanding Horizons Without Losing Roots." Principals from across India discussed educational innovation, cultural integration and preserving Bhavan's core values. The conference highlighted blending modern teaching with India's heritage, reinforcing holistic education and collective leadership to nurture students with strong values, global awareness and a well-rounded perspective.

Founder's Day

"musing" in the most purest sense of painting a narrow strip of colour down the centre of each petal.

From the dying room the flower goes to the "ribbons" and "veiners," who, by means of machinery similar to that in the engraving-room, impress upon the now-colouredollen the necessary reproduction of the form of the national flower, in the matter of veins and petals. The petals of roses and other flowers are very often cracked with a piece of

Founded on 7th November 1939 by the esteemed Kulapathi Dr. K. M. Munshi, Bharatiya Vidya Bhavan has grown into a global educational and cultural movement, with 119 kendras, including over ten abroad, and around 90 schools across India, including three in Tamil Nadu. The Bhavan promotes Indian culture through Dharma—Truth, Love and Beauty (Satyam, Shivam, Sundaram), guided by faith, self-discipline and dedication (Shraddha, Samyana, Samarpama). Founder's Day was celebrated across all classes on **7th November 2025** with engaging activities, fostering awareness of the Bhavan's values and inspiring students to uphold its rich cultural and educational legacy.

Amalgamations

Students from our school participated enthusiastically in AMALGAMATIONS 2025, the Inter-School Science Fest, held on **8th November 2025** and achieved commendable success in various events. In the Quiz, Harsh Vora and Arjun Shrivastav secured the Third place. Reactive Ragas saw Nithin Sundaram, Anubhav P H, and Swetha Sri winning Third place while Fantascience was won by Arjun V and Keshavan Vijay. The team comprising Arjun V, Mahetha Nivean, Sanjay Maran and Neman V. Krishna secured Third place in the Guessosome and Analytica events. Their achievements reflect dedication, teamwork and scientific curiosity, making the school proud.

The Cue

was done by many sores as the material being played under the machine, the operator then using a pedal thereof releasing a heavily weighted stamp, which fell with a heavy crash. It was then slightly raised, and the operator, inserting a sheet of steel between the stamp and the cloth, removed the pattern that adhered to it through the great force of the impact.

The material used for flower-making is of various kinds, such as cotton, silk, and

The 13th edition of the interschool quiz competition, CUE', was conducted on **8th November 2025** at the TAG Auditorium. The event saw the participation of 146 teams from 26 schools. The competition was held in three stages—preliminary, semi-finals and finals. The final round featured engaging segments such as Infinite Pounce and Bounce, Visuals, Long Connect, Movie Mania and Echo Chambers. The programme commenced with the school prayer, followed by a welcome address by the Quiz Club Heads and an inspiring speech by the Vice-Principal, Smt. Sujatha Prakash.

With unimpeachable dexterity in rapid processes, led to the way, when the first process of "was exclusively carried on, a process ran down either side of it, each of which a man or girl was "most remote from common view" in the most usual and

"massing" in the most part out of contact or painting a narrow strip of colour down the centre of each petal.

shape. The petals of trees and other flowers are often treated with a piece of

Thirty teams advanced to the semi-finals and the top six competed in the finals. Padma Seshadri Bala Bhavan School, K.K. Nagar, emerged as winners, securing all three top positions and prizes worth ₹35,000. The event concluded with a valedictory ceremony.

Balajyothi '25

ESAF Balajyothi
Joy of Banking. Joy of Living.

QUIZ '25

Congratulations! WINNERS

Dev Naveen of Class XI participated in the Balajyothi '25 Quiz Competition conducted by ESAF Bank. He secured the First place in the National Semi-Finals and went on to achieve the 1st Runner-up position in the National Finals, bringing great pride to the school.

The ESAF Balajyothi Quiz '25 is a national-level quiz competition for Indian school students from Classes 8 to 12, organized by ESAF Small Finance Bank. Centered on themes related to the Sustainable Development Goals, the competition progresses through preliminary rounds, wildcard stages, semi-finals, and a national final, concluding with prize distribution and the celebration of young, talented minds from across the country.

Nexathon

On 8th November 2026, students from our school won the Robotics Premier League 2025 held in Vani Vidyalaya. They were awarded a cash price of ₹10,000. The team consisted of Chokkalingam(10B), Poojith (9F), Sivabharathi (9F)and Aarya (10C).

“masing” – in the most part only consists of painting a narrow strip of colour down the centre of each petal.

From the dying room the flower goes to the “ribbons” and “ribbons,” who, by means of machinery similar to that in the washing-room, impress upon the now colouredollen the necessary reproduction of the form of the

colour and by liquid aniline colour. The dry colour is very easily fastened to, since the operation is much slower, and the dyes remain moist.

For instance, a flower may be dried, the petals being cut out separately, and they are then run by and upon a pair-shaped pad of cotton-wool, into which a wineglass has already been fixed. Considerable care is taken in this process, but several of these are put

one upon the other, and each covered separately, and they are then run by and upon a pair-shaped pad of cotton-wool, into which a wineglass has already been fixed. Considerable care is taken in this process, but several of these are put

CBSE COE Science Workshop

Smt. Rajani Ashok Kumar and Smt. Rajini Jairaj attended the CBSE Workshop on Competency-Based Assessment in Science for Middle Grades (Classes 6-8), organised by the Centre of Excellence, Chennai, under Domain II – PRP. The two-day workshop was held at Vidya Mandir Senior Secondary School, Mylapore, on 11th & 12th November 2025. The programme focused on designing assessment tools aligned with competencies and learning outcomes. It also covered the creation of rubrics and performance indicators, the role of effective assessment, framing multiple-choice and free-response questions and setting good subjective questions. The workshop provided valuable insights to strengthen classroom assessment practices in science.

International Hip Hop Dance Competition

On 11th November 2025, Myra Jain of Class 3A participated at the International Hip Hop Dance Competition held in Singapore. Competing on a global platform, she delivered an outstanding performance and secured the Bronze Medal. Her achievement is a matter of great pride, as she showcased her talent on an international stage. The 2025 Grand Finals took place in Singapore during November and December, showcasing a wide range of hip-hop solo and ensemble categories with participants representing multiple countries.

Painting - the most purest means of painting a thin strip of colour down the centre of each petal.

Tholkappiar Poonga

On 12th November 2025, students of class 12A were taken on an educational trip to Tholkappia Poonga. They were accompanied by Smt. Jayanthi R and Smt. Rajeshwari Ramprabhu. Tholkappia Poonga or Adyar Eco Park, is an ecological park set up by the Government of Tamil Nadu in the Adyar Estuary area of Chennai. This unique ecosystem has supported a wide variety of flora and fauna.

Codathon

On 13th November 2025, three teams of Class 12 students participated in the CODATHON event conducted by SRM Institute, Vadapalani. The participants were challenged on their coding knowledge and problem-solving skills. Guruprasad A H from Class 12C and Anirudh A K from Class 12B secured 1st place, while Tarun Y and Dhaerya from Class 12B secured 2nd place.

Children's Day

Children's Day was celebrated with great enthusiasm on 14th November 2025, honoring childhood and the values championed by Pandit Jawaharlal Nehru. The programme featured an energetic dance by primary teachers, a special video presentation, a melodious song by Smt. Ashwathy Vasudevan, and a touching poem by Smt. B. Thilagavathi. Lively performances, including stand-up comedy by Shri S. Chandrasekaran, humorous "funny news" by Smt. S. Soni, and an engaging action song by teachers, delighted students. The celebration concluded with a playful tongue-twister song by Vice Principal Smt. Sujatha Prakash and an inspiring address by the Principal, making the day joyful and memorable.

Casagrand Quiz

Sachin Sathya Sivan of class 9 and Perri Karthik Chidambaram of class 8 participated in the Casagrand Quiz competition held at the Image Auditorium, MRC Nagar on **16th November 2025**.

Their consistent performance and confidence helped them secure the First Place, bringing great pride to the school. As a reward for their remarkable achievement, both students were awarded an Apple MacBook each, making their victory even more special.

Ken I Kan Open Championship

On **16th November 2025**, Harsh Santosh Namby of Class 3D secured the 1st prize in Individual Karate (Boys) at the Ken I Kan Open Championship 2025, held at SNS Academy, Coimbatore. He showcased exceptional skill, discipline and confidence throughout the competition, competing against participants from various institutions. His commendable performance highlighted his dedication to martial arts and brought pride to the school.

Rotary Club of Suncity

"masing" - in the most part only consists of painting a narrow strip of colour down the centre of each petal.

petals. The petals of roses and other

Our students brought pride to the school by securing the Runner-up trophy at the RYLA event organized by the Rotary Club of Suncity on **16th November 2025**. Adding to this achievement, Dhanyamithra and Vishwajith were honoured with individual awards for the title of Best Rylarian. This remarkable recognition reflects the students' exceptional skills, leadership qualities and talent.

The Tamil Gita Chanting Judge Orientation Programme was held at the Chinmaya Heritage Centre, Tapovanam on **16th November 2025**. The session focused on orienting judges to the prescribed guidelines, evaluation criteria and essential aspects of Tamil Gita chanting, including pronunciation, rhythm and authenticity. The programme helped ensure consistency and fairness in judging practices. The teachers who participated in the orientation were Ms. Manjula G, Ms. Mariammal J, Ms. Pon Amsa J, Ms. Durga Devi C, and Ms. Deepa Priya A M. Their participation will enhance the standard and quality of future competitions.

Tamil Gita Chanting

Sri Vidyatheertha Foundation

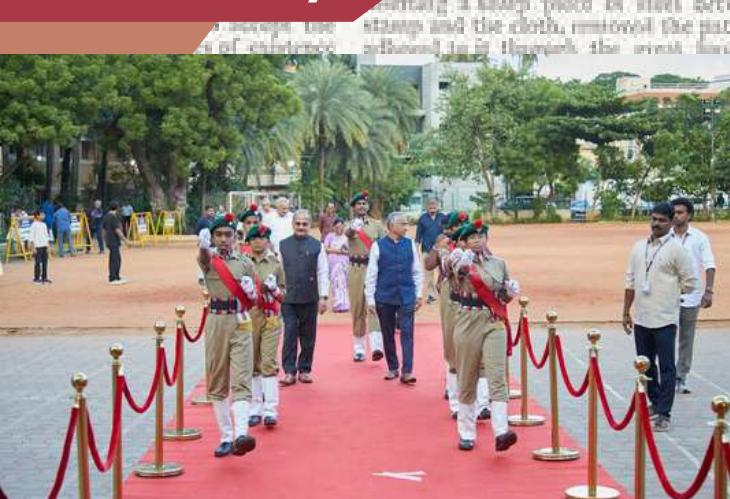

The 108th Jayanthi Mahotsavam of Jagadguru Sri Abhinava Vidyatirtha Mahaswamiji, the 35th Jagadguru Shankaracharya of Sri Sringeri Sharada Peetham, was celebrated with great devotion and grandeur on Wednesday, **19th November 2025**, at the Dharma Paripalana Sabha Anantha Mandapam, Adyar, Chennai. The Day 1 programme commenced with a soul-stirring musical samarpanam by 120 school students. The presentation, based on the compositions of the Sri Sringeri Jagadguru Shankaracharyas, was ably directed by Vidwan Sri R. K. Shriramkumar. The inspiring performance set a deeply spiritual tone for the Mahotsavam and left the audience enriched and uplifted.

On **20th November 2025**, students from our school participated in the CBSE Science Exhibition held at R.M.K. School, Mangadu. The participating students showcased their innovative exhibits based on themes such as sustainable development, environmental conservation, technological innovation and scientific problem-solving. Their projects highlighted creative ideas including models demonstrating renewable energy usage, waste management techniques, water conservation methods and modern applications of science in daily life. The exhibits reflected excellent research, logical thinking, scientific skills and presentation ability.

CBSE Science Exhibition

Annual Day

The 47th Annual Day of Bharatiya Vidya Bhavan's Rajaji Vidyashram was celebrated on **21st November 2025** at the school auditorium on the theme 'Rhythm of Dreams'. The event featured inspiring speeches, prize distribution and vibrant cultural performances, highlighting students' talent, creativity and aspirations.

... with unaccustomed anxiety in rapid succession, led to the day, when the first process of "milling" was exclusively carried on, a process ran down either side of it, each of which a man or girl was "most remote from common use" - action for the most usual and yet matters of the every day went down hitherto, especially

placed upon the post, the desired colour is heated, smeared over it, a second colour being sometimes superimposed upon its centre. At stated intervals the patterns are collected and laid singly upon iron trays which are put in a gas oven where they dry rapidly. Should any water drop by many folds of the material being placed under the machine, the operator then places a pedal which releases a heavy weight which falls, which is also a heavy metal

gives the necessary effect. One ingenious method was the making of sprays, that would easily give for forget-me-nots. Several drops of wine, covered with palm oil, were heated together at a high temperature, then dipped in colour, and "shelling" for the purpose of getting a narrow strip of colour from the centre of each petal.

From the dying room the flower goes to the "sibbets" and "virens," who, by means of machinery similar to that in the washing-room, impress upon the now colouredollen the necessary impression of the form of the national flower, in the matter of veins and petals. The petals of roses and other

On **22nd November 2025**, our students and teachers had an enriching opportunity to visit the Eastern Fleet Warship, INS Ranvir, an initiative by Prime Minister Shri Narendra Modi to raise awareness among the student community. The visit offered hands-on exposure to naval operations, life at sea and advanced weaponry.

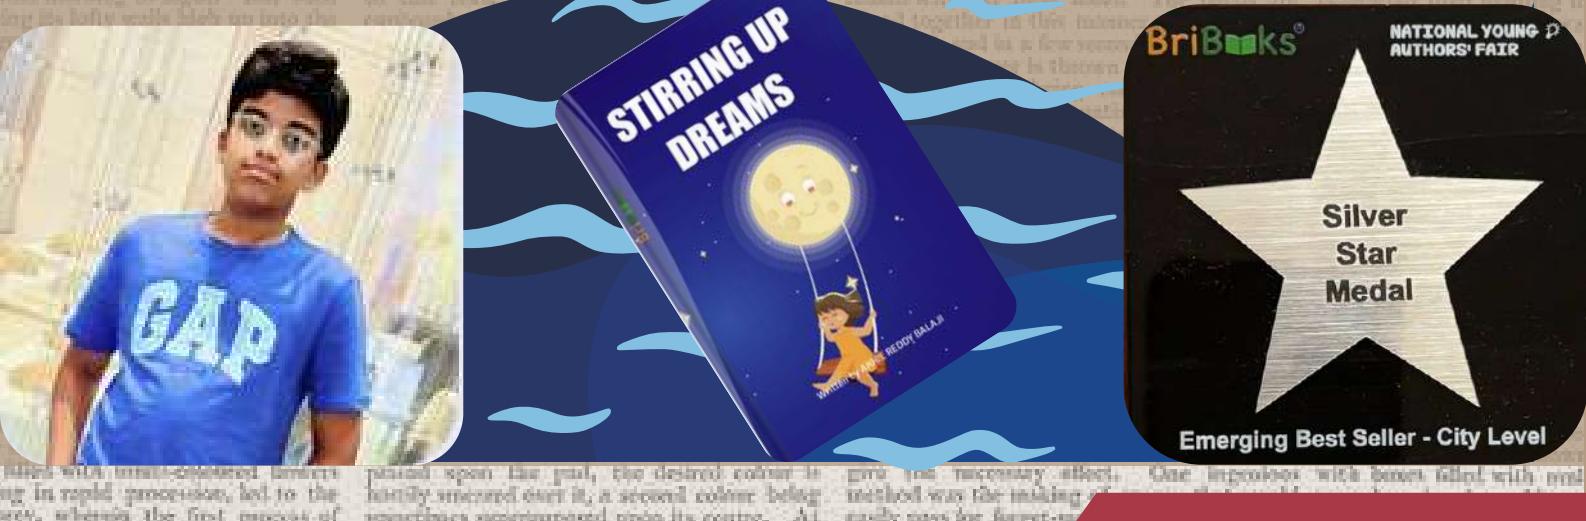

Students observed a range of arms, interacted with officers, and gained insights into naval training and service. The experience sparked curiosity, inspired future aspirations, and strengthened respect for the armed forces. The trip was both educational and deeply inspiring, instilling a sense of pride and renewed patriotism among students and staff.

Visit to Warship

National Young Author's Fair

Akhil Reddy of Class 6 was awarded the Silver Star Medal for his book "Stirring Up Dreams" at the National Young Authors' Fair (NYAF) 2025. NYAF, the world's largest platform for K-12 students, provides young writers with the opportunity to write, publish and present their creative works to a global audience. Conducted across more than 32 countries, including the United States, the United Kingdom, India, Singapore, and the UAE, the fair celebrates creativity and encourages literary excellence among young authors. Akhil's remarkable achievement reflects his talent and dedication, and serves as an inspiration to fellow students to pursue their literary interests and confidently share their voices on an international platform.

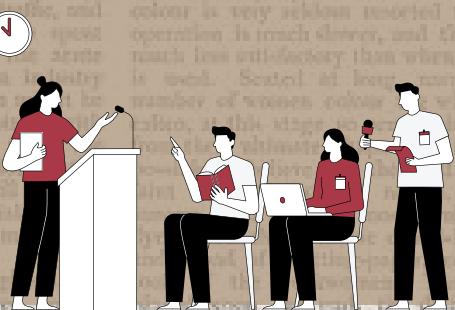

National Vyayam Championship

Harshithaa V P of Class 3B participated in the 3rd National Vyayam Championship 2025-26, held from **21st to 23rd November 2025** in Nagpur, Maharashtra. The championship, affiliated under the Ministry of Youth Affairs and Sports - Fit India and recognized by the Indian Olympic Association, witnessed talented participants from across the country. Harshithaa competed in Silambam Individual - Single Stick and Double Stick events and secured Gold Medals (1st place) in both categories. Her exceptional performance reflects dedication, discipline and sporting excellence, bringing great pride to the school.

Hindi Elocution

On 23rd November 2025, Krithika Munoth of Class 11E secured First place in an International Hindi Elocution Competition held at the Maharishi Dayanand Saraswati Auditorium, Gopalapuram, Chennai. She was awarded a certificate and a cash prize of ₹7,500, along with a special mention for Best Speaker. The event was organized by the Deshratna Dr. Rajendra Prasad Memorial Trust.

Dental Awareness

On 24th November 2025, as part of our school's health program, a dental check-up was conducted for the students of Class 4 and 5 by Dr. Kaviya Thalir and Dr. Divya associated with Dr Reddy's Forum for Health Education to spread awareness on how to prevent disease among people. Students interacted with the doctors and asked pertinent questions related to oral health care. The check-up aimed to assess students' oral health and create awareness about the importance of maintaining good dental hygiene.

Interschool Economics Quiz

Our school achieved a commendable success at the Interschool Economics Quiz conducted by MOP Vaishnav College on **26th November 2025**. The competition saw the participation of 50 schools, making it a highly competitive academic event. Representing our school, Aarush and Ashwini demonstrated exceptional knowledge, analytical ability and teamwork throughout the quiz. Their consistent performance and presence of mind enabled them to secure the Third position among numerous participating teams. This achievement brought laurels to the school and highlighted the students' dedication and academic excellence. The school congratulates Aarush and Ashwini on their remarkable accomplishment and appreciates their efforts in upholding the institution's spirit of excellence and learning.

Constitution Day

Constitution Day, also known as Samvidhan Divas commemorates the adoption of the Indian Constitution, which came into effect on 26th January 1950. The day honours the visionaries of our nation, especially Dr. B. R. Ambedkar, the principal architect of the Constitution, who championed the ideals of equality, justice and liberty. To mark this occasion, Constitution Day was celebrated on **26th November 2025** through engaging activities for Classes 3, 4 and 5. These activities helped students understand the importance of the Preamble and core constitutional values. Students of class 3 participated in the Preamble Pledge - My India, My Promise, fostering patriotism and civic awareness.

Tamil Elocution

A Tamil Elocution Competition was organised as part of "Kalvi Koodangalil Kambar - 2026", providing a meaningful platform for the school students of Chennai to showcase their oratory skills in Tamil. The event was held on **27th November 2025** at Bharatiya Vidya Bhavan, Chennai.

Students from Classes 9 to 12 participated with great enthusiasm, presenting speeches on various socially relevant and literary topics. The competition encouraged clarity of thought, confidence and a deep appreciation for the Tamil language and its rich literary heritage. The event concluded with the felicitation of speakers, making it a memorable and enriching experience for all participants.

On **28th November 2025**, the National Youth Parliament was conducted in the school as a highly informative and impactful programme. Under the guidance of the Chief Guest, the event provided students with a practical understanding of the Indian Parliamentary system. A realistic parliamentary atmosphere was created, with students actively participating by assuming the roles of various members of Parliament. The programme offered the audience valuable insights into parliamentary procedures and highlighted the importance of active citizenship. Overall, the National Youth Parliament proved to be a meaningful learning experience that encouraged students to think critically and contribute positively to the nation's democratic process.

National Youth Parliament

Social Science Day

On **28th November 2025**, the Social Science Day was inaugurated by the Principal Shri. P G Subramanian. Students of Classes III to IX showcased projects, role plays, quizzes and a Youth Parliament, highlighting cultural heritage, geography and civic awareness through creative and interactive presentations, making the event informative and engaging.

Karthigai Deepam is a Tamil festival celebrating light, devotion and victory of good, marked by lighting lamps at homes and temples. We at Bhavans' celebrated this festival with our kindergarten students on **5th December 2025**.

Business Studies Enrichment Program

On **5th December 2025**, a Business Studies Enrichment Programme was conducted for Grade 12 Commerce students at the Pattabiraman Hall. The session was led by Smt. Rogini Murugan, a CBSE Business Studies and Accountancy teacher with 26 years of experience from Sunshine SMM Senior Secondary School.

The programme covered a syllabus overview, synopsis, chapter-wise discussion of important topics and key terms, and a detailed sample paper analysis to assess students' preparation. The interactive session proved highly beneficial, helping students strengthen their understanding and improve their readiness for the Board Examinations.

Bhasha Diwas

“Bhasha Diwas” was celebrated on **8th December 2025** at AV-1, with students of Classes VI, VII and VIII showcasing their linguistic skills in Sanskrit and Hindi. The programme highlighted the significant contributions of Sanskrit to ancient Mathematics, Science and Architecture, and concluded with an inspiring address by the Principal, who encouraged students to develop proficiency in Indian languages.

Human Rights Day

Human Rights Day was observed during the morning assembly on **8th December 2025**. Students of Class 5 created awareness about dignity, respect, safety and equal opportunities for all children. To enhance understanding, rights-themed cards were displayed, and students performed simple symbolic actions representing each right. An affirmation on Human Rights was read aloud by the teacher and repeated by the students, reinforcing the importance of respect and responsible behaviour. Values such as kindness, fairness, helping others, attentive listening, and inclusiveness were highlighted as essential habits to be practised in everyday school life.

Birth Anniversary of Rajaji

“masing” or the most part out consists of painting a narrow strip of colour down the centre of each petal.

From the dying room the flower goes to the “ribbons” and “cinctures,” who, by means of machinery similar to that in the embroidery room, impress upon the now colouredollen the necessary embroidery of the form of the national flower, in the matter of veins and surface. The petals of roses and other flowers are very often enriched with a piece of

Shri C. Rajagopalachari's (Rajaji) birthday, observed on 10th December, commemorates the birth of the eminent freedom fighter, statesman, writer, lawyer, and India's first Indian Governor-General, born on 10th December 1878 in Thorapalli, Tamil Nadu. Our school proudly observed Rajaji's birth anniversary on **10th December 2025**, honouring his legacy as we bear his name with pride. Special emphasis was laid on his valuable contributions to education during his two tenures as the Chief Minister of Madras, when he introduced several reforms and initiatives that played a significant role in shaping the educational system and promoting language development.

Birth Anniversary of Bharathiyar

The Birth Anniversary of Mahakavi Subramania Bharathiyar was celebrated in our school on **11th December 2025**. The programme began with the Tamil Thai Vazhthu. Students spoke about Bharathiyar's life, patriotism, ideals and contribution to Tamil literature. Poems, speeches, songs and cultural performances such as Bharatanatyam, instrumental music and group songs created a patriotic spirit. Our Principal, Shri P. G. Subramaniam, explained the poem “Enniya Mudidhal Vendum” and emphasized practising its message in daily life. A video on Bharathiyar's life was screened. The celebration concluded with a vote of thanks and the National Anthem.

Kalvi Koondangalil Kambar

Kambar festivals are organized in various educational institutions to commemorate the great Tamil poet Kambar. During these festivals held in December, debate competitions, seminars and discussions are conducted on Kambaramayanam, Kambar's poetic genius, and his rich literary contributions. Institutions such as Bharatiya Vidya Bhavan regularly host these programmes, often graced by eminent scholars and prominent personalities, including the Governor of Tamil Nadu. The festivals aim to introduce students to the literary excellence of Kambar and highlight his progressive vision, especially his deep respect for women, thereby inspiring young minds to appreciate Tamil literature and its enduring values.

Pattam Quiz

The "Pattam Quiz" is a popular student quiz competition organized by the Tamil newspaper Dinamalar, specifically through its educational supplement, Pattam magazine, involving various schools in Tamil Nadu and Pondicherry, focusing on general knowledge and current affairs from the newspaper, with winners receiving certificates, medals, and sometimes even trips to NASA. It's a large-scale event with semi-finals and finals held in different schools, promoting academic excellence and rewarding students for their knowledge and quick thinking. Our school was part of this prestigious event in December.

Rishs Techxplore

Our school received the Consolation Prize at the RISHS TECHXPLORE - National Science and Invention Fair 2025, held at RISHS International School, Mangadu, on **13th December 2025**.

Ashrith V. Reddy and Jayanth of Class 7 participated in the event and represented the school with great enthusiasm and innovation.

State Level Invitational Gymnastics Meet

A state-level gymnastics meet is a competitive event where gymnasts from various clubs and schools compete in artistic or rhythmic gymnastics across different levels, showcasing emerging talent and team spirit. In one such event organized by the Tamil Nadu Gymnastics Association on **15th December 2025**, Maanika Thandoll of Class 2F secured Gold and Silver medals, bringing pride to our school.

Birla Open Minds

Students of our school achieved remarkable success at the Inter School STEM Exhibition conducted by Birla Open Minds on **16th December 2025**. Competing with great enthusiasm and creativity, our students secured First Place in multiple categories, showcasing their innovation, teamwork, and problem-solving skills.

In the category "Safety First Powered by Innovation," the First-place winners were Harshanth J, Sakshi S, and Darshil N of Class 1. Their project highlighted the importance of safety through creative and practical technological solutions. In the category "Health Care and Humanity," the First-place honors were won by Jayanth J, Ashrith Reddy and Hetaanshi Minna Prasad of class 7. Their exhibit focused on compassionate healthcare solutions addressing real-life challenges.

Crowning this outstanding performance, our school proudly secured the Overall Championship. This achievement reflects the dedication of our students and the constant support of our teachers, inspiring a strong spirit of innovation and excellence.

Class 7 in Dakshinachitra

The Class 7 picnic to Dakshinachitra on **20th December 2025** was an enjoyable and educational experience for the students. The visit gave them an opportunity to explore South Indian culture, traditional architecture, art, and lifestyle through well-preserved heritage houses and exhibits. Students enthusiastically observed folk art, handicrafts, and live demonstrations, making learning both interactive and fun. The picnic encouraged curiosity, teamwork, and appreciation for cultural heritage, creating memorable moments for everyone.

Hindi Topper 2025

Dhriti of class 11D received an award for 10th Std Hindi Topper 2025 from CBSE Hindi Welfare Association on **20th December**

2025. The Hindi Welfare Association, Chennai (HWA) is a voluntary organization dedicated to the promotion and development of the Hindi language, literature and culture in Tamil Nadu. It conducts Hindi examinations, cultural programmes, workshops, competitions and teacher training programmes, encouraging students and the public to learn and use Hindi.

Mathematics Day

On **22nd and 23rd December 2025**, Mathematics Day was celebrated at our school in Pattabhiraman Hall with great enthusiasm. The programme focused on the theme "Integrating Mathematics with Other Subjects". The event began with an introductory speech by the Principal, who emphasized the importance of the subject. Students actively participated by showcasing innovative models, creative activities and presentations, demonstrating their deep understanding of mathematical concepts collaborated with other subjects. The celebration effectively highlighted the importance of Mathematics as a foundational subject that supports learning in all areas and encourages critical and creative thinking.

Christmas Celebration

Our school celebrated Christmas with great joy and enthusiasm on **23rd December 2025**. The programme commenced with a warm welcome address, followed by a talk highlighting the significance of Christmas and the values of love, kindness, sharing and peace taught by Jesus Christ. Students of Classes I and II presented a lively dance, while a melodious rhapsody song and a graceful dance by Class III added to the festive spirit. The highlight of the celebration was the Shadow Christmas Play and Choir, which beautifully portrayed the birth of Jesus Christ through soulful carols. The joyful entry of Santa Claus, joined by the Principal and senior officials, spread cheer among the students. The programme concluded with a vote of thanks. The Kindergarten Christmas celebration, was equally delightful. Children dressed in festive colours and Santa costumes, enjoyed a surprise visit from Santa Claus, participated in craft activities, and relished muffins, making the celebration both memorable and meaningful.

Vedantu

Prasheta S of Class 10F has achieved an outstanding accomplishment by securing a place among the Top 50 at the national level in the Twining Owl Competition conducted by IIT Madras.

In addition, she has also been awarded a medal and certificate for the examination conducted by Vedantu, marking yet another notable academic achievement. The school congratulates Prasheta on her excellent performance and wishes her continued success.

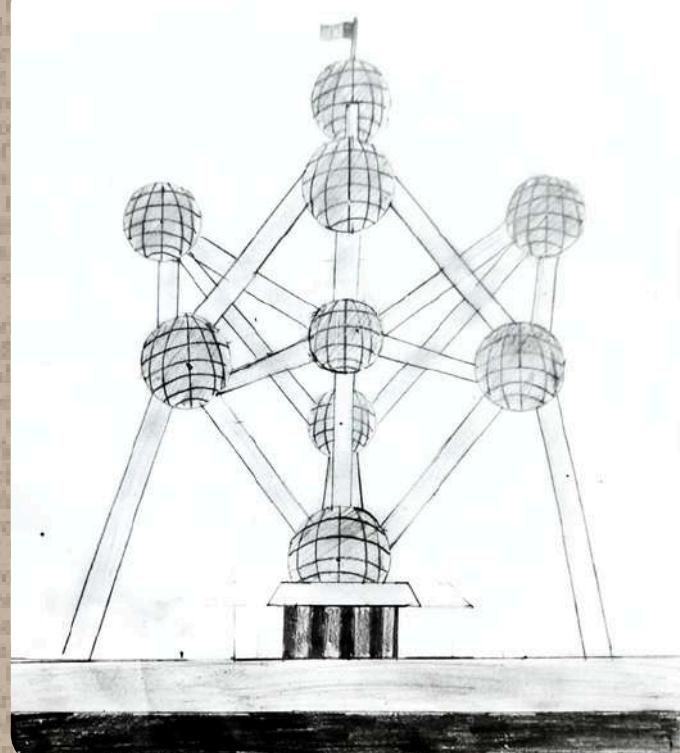

Accountancy Enrichment

On **23rd December 2025**, an Accountancy Enrichment Programme was conducted for Grade 12 Commerce students. The session was led by Shri Sathya Narayana Rao, HOD-Commerce, Heartfulness International School, with 20 years of CBSE teaching experience and 14 years as a banker. The programme covered a syllabus overview, synopsis, and chapter-wise discussion of important topics, highlighting common mistakes. All three Accountancy books were completed within the 2.5-hour session, along with useful exam paper presentation tips. The interactive session greatly helped students strengthen their Board Examination preparation.
